

## WORLDCAT 400 DC-X

WorldCat offers its new 400 DC-X (LOA 39' 8", beam 12' 8"), a highly customizable catamaran to accommodate fishing, luxury cruising, diving, or strictly entertaining. Standard features include an integrated hardtop with glass sunroof, doublewide helm seat, a sizable helm dash for two 17-inch multifunction displays, electric aft deck shade, entertainment center, galley, air conditioning, and more. The dual consoles house a well-appointed, air-conditioned head with separate shower stall in the starboard hull and a stateroom with queen berth and TV in the port hull. Gather with friends in the open bow which has two aft-facing benches, two forward-facing benches, and a pair of power-actuated tables to host up to eight adults. The 464-gallon fuel tank offers extended range with twin Yamaha 425-hp outboards, and a 9kW generator keeps the lights on. An optional Seakeeper 3 provides a more comfortable ride. Other options include a livewell, summer kitchen, and dive tank storage. [worldcat.com](http://worldcat.com)
